MEMORANDUM

TO:	Board of Commissioners
FROM:	Cathy Bonaskiewich, Asst. Twp Manager/Finance Director
DATE:	June 21, 2013
RE:	May 2013 Financial Report

Following you will find the Township Financial Report for the month-ending May 31st. As we approach the mid-point of year 2013 and 2014 Budget time looms, you'll gain a better insight into the Township's performance for the year. As always, I'm highlighting a few of the line items below.

<u>#01-301.100</u> This line item reflects the monies (i.e. cash) actually transferred to the Township by the Tax Collector through the end of May. When compared to 2012 year-to-date collections, you will see an increase of about \$90,000, due mostly to the increased 2013 millage. Taxes collected as a percentage of total yearly amount billed are consistent at 89%.

<u>#01-310.100</u> Again, the 2013 Realty Transfer Tax amount includes collections for January through May 2013, since we can now manually post the electronic receipts on an "accrual basis". The 2012 amount, conversely, was posted on a "cash basis"; therefore, the year-to-date amount includes only January through April.

<u>#01-310.200 & #01-310.400</u> Earned Income Tax & Local Service Tax collections can fluctuate widely from one month to the next. Through May 2013, both EIT & LST are slightly below where they were at this same time last year. As we move forward through the year, I'm sure we'll see this pattern change from month-to-month.

<u>#01-321.800</u> Cable Franchise Fees include the 4th Quarter 2012 and 1st Quarter 2013 payments from both cable companies, which equates to half the collections expected and budgeted for the year.

<u>#01-354.120</u> The 2013 budget amount of \$6,800 represents the difference between the 2012 Award/Budget amount (\$15,000) less the actual 2012 reimbursement received (\$8,200). To date, we've billed and been reimbursed \$4,887. The remaining \$1,900 will be billed to the County after traffic enforcement efforts are completed in June 2013.

<u>#01-362.410 thru #01-362.430</u> Permit revenues continue to exceed budget due to the fact that fees were increased by Township Ordinance late last year (without making a similar accommodation to budgeted amounts).

<u>#01-367.200</u> There is currently no revenue posted to this line item, because the Atlantic City back bay cruise & Resorts Casino lunch bus trip scheduled for June 9th had been cancelled due to poor sales. We'll be planning another event for the fall.

<u>#01-400.200</u> This line item includes all costs related to the April 18th Volunteer Recognition Dinner.

<u>#01-401.312</u> This line item includes the yearly fee paid to Kessler Freedman for web consulting services.

Pg. 2 – Financial Report Memo to Board – 06/21/13

<u>#01-403.325</u> The Tax Collection 'Postage' amount includes expenses incurred by H.A. Berkheimer relating to the Earned Income Tax collections (they deduct the amount from collections remitted to us), along with postage charges incurred by Berks County Intermediate Unit (BCIU) for mailing the annual Township Real Estate Tax bills. This amount is exceeding budget due to higher than anticipated postage costs from Berkheimer.

<u>#01-403.452</u> The EIT collection fee is equivalent to 1.55% of the "current" (no delinquents) EIT collections. Along with postage costs, this fee is also deducted from the amount from collections remitted to us by Berkheimer.

<u>#01-403.453</u> The LST collection fee is equivalent to 2.25% of all LST collections. We are billed this fee monthly by Berkheimer.

<u>#01-403.454</u> The 'Real Estate Tax Collections' represent fees paid to Berks County Intermediate Unit (BCIU) for the services provided to print, mail, monitor, etc. the Township's real estate tax billings. BCIU bills the Township quarterly.

<u>#01-414.318</u> DCED/UCC fees are paid to the state quarterly, in an amount equivalent to \$4 per permit issued. This is amount is recouped from the permit-holder as part of those fees collected.

<u>#01-439.600</u> To date, this Capital Construction line item includes engineering costs related to the Flexer Avenue road reconstruction project, which first began late last year. Although no monies are included in the 2013 budget for this project, at some point we will need to expend at least another \$50,000 to finalize the project.

<u>#01-439.700</u> This Capital Equipment line item represents the purchase of a chipper.

<u>#01-446.605</u> This year-to-date amount includes Keystone Consulting Engineer costs for the planning of and preparation for the upcoming Maumee Avenue stormwater project slated for this year.

<u>#01-451.373</u> This Parks Department Facilities Maintenance line item is almost 90% of budget, because we contracted out replacing the restroom roofs at both Green Acres & Laubach Parks for a total of \$4,950.

<u>#01-451.700</u> This Capital Equipment line item represents the purchase of two mowers from Upper Saucon Township.

<u>#01-452.200</u> This Community Events line item includes all expenses related to the inaugural Egg Hunt held on March 23rd this year at Lindberg Park. These funds are not reimbursed from any source.

<u>#01-474.370</u> This line item includes the real estate taxes the Township pays on the taxable portion of property at Franko Farm upon which the cell tower stands. Verizon is billed and reimburses the Township for the County and School taxes expended on this property only. The amount of \$241 represents the 2013 Township taxes for the parcel, up from \$93 last year due to the County's reassessments together with the increased Township millage.

After you've had the opportunity to review the report as well as my memo, feel free to contact me with any questions or concerns.

Mr. Soriano stated that he is aware of the situation and is planning address it when the Municipal Building undergoes the security upgrades. He noted that nothing can really be done so long as the roof still leaks because the mold will just grow back. It was the consensus of the Board to a new roof for the Municipal Building out for bid.

Commissioner Ackerman also asked about finishing the paving work on Green Acres Drive. Mr. Soriano responded that it is scheduled for in-house work this year.

Commissioner Ackerman inquired about the charges incurred from the cutting of residents' lawns. Mr. Soriano explained that those are the product of enforcement notices that residents do not comply with and the Township is forced to hire a service. He stated that the resident is billed, but often times the Township is forced to put a lien on the house.

Commissioner Martucci stated that he attended a community conference with Senator Mensch and representatives from the Pennsylvania State Police, as well as the Fire Commissioner from the State. He noted that they did a safety discussion and provided him an audio video of the presentation which he passed along to Mr. Soriano.

Chief Stiles commented that he has visited the parks and informed several residents that dogs are not allowed Township parks. In doing so, Chief Stiles found that the current signs advertising the rule are not adequate, so he put together some ideas for new signs and asked Mr. Andreas for pricing information.
