Review/Approve Minutes:

Minutes from February 18, 2015

Report of officers and committees

- Zoning Hearing Board meeting cancelled due to inclement weather
- Planning: No submissions for the Month of March
- Board of Commissioners Meet the 2nd and 4th Thursday of the month at 7:00.

Old Business:

1. Salisbury Township Storm water Basin Retrofit – work is dependent upon weather

New Business:

1. The letter of recommendation to the Board of Commissioners regarding the role of the STEAC on MS4 education and public outreach was discussed at the 3/12/2015 Board of Commissioners meeting.
2. Storm Water Basin Retrofit – guidance from Laura Hopek, Watershed Coordinator Lehigh County Conservation District has been requested.
3. Preparation for the Clean-up of Walking Purchase Park scheduled for April 26th, 2015.

4. EAC to start working on the educational and public participation plan for the MS4 program.
5. Salisbury Township has seen a decline in street trees over the past several years. One reason for the decline has been improper planting. As a means to offset this loss, I am asking the EAC to consider utilizing a grant from Tree Vitalize to remediate the loss. I'm attaching a link so each representative will have the opportunity to evaluate the possible funding initiative. <http://www.treevitalize.net/index.aspx>
6. LCA is offering another free rain barrel workshop on Saturday, April 11, 2015, with time slots available at 2 p.m. and 2:30 p.m. The event is almost full, but we still have 30 spots remaining and wanted to reach out to past participants to let you know about it. If you or any of your neighbors/friends are looking for a rain barrel (FREE), please contact us at service@lehighcountyauthority.org to request a spot at our workshop. The event and the barrel are free, but registration is limited and on a first-come, first-served basis.
