Review/Approve Minutes:

Minutes from November 18, 2015

Report of officers and committees

- Zoning Hearing Board – No meeting due to no appeals.
- Planning: No meeting.
- Board of Commissioners Meet the 2nd and 4th Thursday of the month at 7:00.

Old Business:

1. Salisbury Township Storm water Basin Retrofit: UPDATE

- Excavation of the basin has ceased due to the accumulation of water in the basin. Excavation will resume when the basin is dry.

New Business:

1. The Salisbury Township EAC would like to open discussion with residents regarding storm water issues.
2. Mr. Glenn Miller has resigned his position on the EAC. The opening has been posted on the Townships' website.
3. Preparation of the Annual Report – The secretary is working on the DRAFT of the EAC Annual Report for the Board of Commissioners.
4. We have received communication from LCCD regarding the joint rain barrel workshop sponsored by the conservation district for the benefit of Salisbury Township and South Whitehall. The preparatory meeting will be held on January 11, 2016 at 9:00 AM at the Lehigh County Conservation District (LCCD). In addition to the meeting we will need to get some volunteers to

help with the preparation of the barrels. We anticipate the workshop will be held either in March or April of 2016.

5. Recommendations on possible grant “2016 Lehigh Valley Greenways Mini Grant” – this information was sent to the council on 12/4/2015 for evaluation to see if we should engage in a project of this nature.
6. Friends of Allentown Parks in conjunction with Faith Church and Salisbury Township EAC are proposing another clean up at Walking Purchase Park in April 2016. Last year the event utilized volunteers (approximately 200 individuals from Faith Church). However we will need to plan for more dumpsters. Prior to the event the Township Staff will walk the site to get a perspective of the amount of debris that has been illegally dumped at the park.
