# <u>Utility Bills Rates Changes – Second Reading & Adoption.</u>

Mr. Soriano reminded the Board that the Ordinance will change the method of billing to a Net 15, Gross 30 and Penalty format. Mr. Soriano commented that passing the Ordinance will also allow for additional amendments to be done by Resolution rather than by Ordinance. He explained that upon the passage of the Ordinance, which only sets the rates for water and sewer, the Board will have to approve a Resolution addressing refuse and recycling rates.

Motion by Commissioner Martucci, seconded by Commissioner Seagreaves, to adopt Ordinance No. 04-2015-597 as presented.

# **MOTIONS**

# Waiver of Penalty for property owners who did not receive a Real Estate Tax Bill.

Mr. Soriano explained that there was a request by two property owners regarding the paying of the 2014 Real Estate Taxes. Mr. Soriano stated that they are asking for forgiveness from the penalty because the county was delayed in getting the updated deed information to the Township. As a result, the bills were sent to the previous owners of the property and the new owners never received the bill.

Ms. Linda Minger, the Township Tax Collector, explained that the residents were new to the area and therefore would not be aware that the tax would be due. She noted that they did pay their other taxes on time.

Motion by Commissioner Martucci, seconded by Commissioner Brinton, to waive the Penalty for two property owners who did not receive a Real Estate Tax Bill.

# **ANNOUNCEMENTS**

Mr. Soriano provided the Board with an update on the Lindberg Park Master Site Plan project. He noted that a preconstruction construction conference about Phase I Lindberg Park perimeter trail was held in order to get an idea of the construction schedule, and based on the information received, the work will probably not be completed until the end of July. Mr. Soriano commented that a formal letter of request will have to be made to the County to extend the agreement for the Grant. He is hopeful that Phase I and II will be completed by the end of the year.

# PRIVILEGE OF THE FLOOR

Commissioner Martucci brought forth a concern from a resident on Public Road in regards to a swale behind his property. Mr. Andreas stated that he and Mr. Tettemer met the resident at his property some time ago. Mr. Tettemer stated that he can meet with him again to explain how the resident can make changes to help himself. Mr. Soriano suggested sending something to the property owner in writing so the Township's response is on record.
