RE: Conditional Use Application – Flower Tent at 3300 Lehigh Street

Dear Mr. James Pompa, Jr.:

The Salisbury Township Planning Commission met on February 10, 2015 regarding your interest in the Conditional Use Application to conduct the “Flower Tent” at 3300 Lehigh Street within the South Mall Parking lot and within the boundary of Salisbury Township. The Planning Commissioners were unanimous in their agreement to recommend to Salisbury Township Board of Commissioners approval of the Conditional Use for the Flower Tent for the calendar year of 2015. Based upon your history of conducting the Flower Tent at the South Mall, the Planning Commissioners also made recommendation to the Salisbury Township Board of Commissioners to extend the length of time to five (5) years.

At this time, we would like to proceed with scheduling the Conditional Use Hearing with the Salisbury Township Board of Commissioners during their February 26, 2015 meeting with a starting time of 7:00 PM. We would also like to acknowledge the fact that you provided the Township with the appropriate number of documents to be distributed to the Board of Commissioners in preparation for this hearing.

Feel free to contact me if you have any questions or concerns. We will anticipate seeing you on February 26, 2015 to present your request to the Salisbury Township Board of Commissioners.

Sincerely,

A handwritten signature in cursive script that reads "Cynthia Sopka".
