Ms. Bonaskiewich stated that Mr. Myron Haydt (Southbury Park Developer) has requested two waivers relative to the approved Final Plan for Southbury Park. She noted that the Planning Commission has reviewed the request and has made recommendation to the Board to approve the

Attorney Ashley explained that the Board had approved the Final Plan, but Mr. Haydt is requesting changes so a new plan must now be recorded.

Motion by Commissioner Martucci, seconded by Commissioner Brinton, to approve the revised Final Plan of Southbury Park dated 3/18/16 and waivers requested.

### PRIVLEGE OF THE FLOOR

Ms. Bertie Musselman of 3780 Fox Run Drive and Mary Clare Kibelstis of 3775 Fox Run Drive were present to express concerns about water run-off on their properties, which they allege is caused by a detention pond constructed by Lehigh Valley Hospital. They provided the Board with pictures of the excess water and damage to their properties. Ms. Musselman inquired if the Township performed a downstream stormwater analysis. Mr. Tettemer explained that when the hospital presented their development plan, the Township required that the hospital obtain approval from the Lehigh Valley Planning Commission for compliance with Act 167. LVPC reviewed the development and determined that the discharge from the basin would meet their requirements. Mr. Tettemer stated that the Township generally defers to the County to make sure that the Act 167 requirements are met, and the County determined that their basin discharge was less than pre-development rates. He commented that development plan for that area shows a drainage swale easement and offered to meet with the residents to review the plan.

Ms. Musselman requested that the township initiate whatever it deems necessary to correct the situation and restore the properties to their original state. Mr. Tettemer stated that the Township will be meeting with the Conservation District and DEP within the next couple of weeks to discuss the situation. He noted that he will update the Board and the property owners.

### **ADJOURNMENT**

Commissioner Martucci made a Motion to adjourn the Meeting. Seconded by Commissioner Brinton. The time was 7:40 p.m.
Respectfully submitted,
