PRIVLEGE OF THE FLOOR

Mr. Ron Evans of 1615 Beech Street was present to express concerns about animal control procedures for dogs located at 1618 Beech Street. He alleged that there are more dogs living in the home than the Township Ordinance permits, that they are aggressive and continually bark. Mr. Soriano stated that the owner and the tenant of the property have been cited. He noted that there is a vicious dog section under State Law, which could be looked into, but operates under different standards.

Mr. Evans expressed concerns about the timeliness of the court system. Mr. Nicolo explained that when the court sends out the citation to the property owner or tenant, the holdup usually occurs because the court system is waiting for a response. He noted that he has a court date with the property owner on July 25th, 2016 to address the zoning issues and has requested the neighbors come as witnesses. Commissioner Brown commented that the next step is to see what happens at the hearing.

Mr. Vendel Mukics of 706 Mortimer Street asked the Public Works Department to observe the condition of Mortimer Street. Mr. Andreas commented that he will look at the area.

Mr. Mukics inquired about extra signage along East Susquehanna Street to warn of the curve going into Broadway in an effort to prevent accidents. Chief Stiles commented that it is a PennDOT road, but most of the accidents occur in that area because motorists are driving too fast.

Mr. Mukics presented the Police Department with a \$500 donation for the Township's K-9 program. The Board thanked Mr. Mukics for his generous contribution.

Mr. Joshua Wells, Chief of Western Salisbury Fire Department, invited the Board to the Fire House on August 1st or August 8th in order to provide an overview of the Department and discuss future plans.

Commissioner Ackerman inquired about the basin at the Municipal Building. Mr. Andreas stated that a meeting was held to discuss the coordination of additional work, consisting of establishing a low-flow channel and constructing a damn along the outfall of the pond. Ms. Sopka noted that the deadline for the Grant is December, but the work should be completed by that time.
