MOTIONS

Motion to Appoint Keystone Consulting Engineers to Continue the Plan Review of the Girls Scouts of Eastern PA (GSEP) Land Development Project at 2638 West Rock Road.

Ms. Bonaskiewich commented that while Barry Isset & Associates is the Township's appointed Engineer, they represented the GSEP with their plan submission, which represents a conflict of interest. She further explained that while Hanover Engineering is the Township's alternate Engineer, Keystone has been involved in the plan review process since its inception so the Township would like to formalize Keystone's appointment specifically to this project.

Motion by Commissioner Karol, seconded by Commissioner Conn, to appoint Keystone Consulting Engineers to continue the Plan Review of the Girls Scouts of Eastern PA (GSEP) Land Development project at 2638 West Rock Road.

The Board voted: 5 Ayes; 0 Nays

Motion to Authorize Removal of Brian Smith from the Environmental Advisory Council Due to Lack of Participation.

Commissioner Brinton stated that Mr. Smith attended a meeting in October of 2022, but not has attended any meetings since that time. She explained that the EAC bylaws state that if a member has two or more unexcused absences in a calendar year, he or she may be replaced by the Board of Commissioners. Mr. Nicolo commented that there is someone interested in the position.

Commissioner Patnaik inquired if Mr. Smith has been notified. Mr. Nicolo commented that he had reached out by phone and mail but received no response.

Motion by Commissioner Patnaik, seconded by Commissioner Lipkin, to authorize the removal of Mr. Brian Smith from the Environmental Advisory Council due to lack of participation.

The Board voted: 5 Ayes; 0 Nays

COURTESY OF THE FLOOR

Commissioner Karol thanked the Department of Public Works for working in the heat.

Commissioner Patnaik commended the Department of Public Works on the curbing work at the Municipal Building.

Mr. Wojciechowski provided the Board with an engineering report. He stated that that he has resubmitted the Land Development Plan for the Police Training Facility and dropped the subdivision from the application at this time due to cost issues.

Commissioner Brinton inquired if the grocery store plans are still advancing at the South Mall. Mr. Wojciechowski stated that the Township is still waiting to receive plans, but they did submit a scoping application to PennDOT.

Commissioner Conn inquired if the drainage on Lehigh Street will be addressed by the construction at the South Mall. Mr. Nicolo stated that the Township has been in contact with Senator Miller's office because PennDOT is not taking responsibility for the issue.

Mr. John Kelly of Western Salisbury Fire Company provided the Board with an update on the new fire station project by noting that they closed on the loan last Friday and their annual donation drive is underway. Mr. Jerry Royer noted that there is an upcoming construction meeting and the tentative start date is the middle to the end of August. He commented that they are currently working on the temporary building and moving things out of the Swain station.

Ms. Karin Holliday of 2005 Church Road inquired if there was an update on the hunting allowed at Franko Park. Ms. Bonaskiewich noted that Chief Sabo and Mr. Levernier have been in contact with the Pennsylvania Game Commission and they plan to have signage installed prior to the start of hunting season.

Ms. Holliday expressed concerns regarding the loose dogs around Franko Park and that there was no signage at the park to notify people about them. Sergeant Whitehead noted that the information was on the Township website, the Police website and Facebook page. He commented that the Police Department does not have the capabilities to make signs.
